

### Legislative background

The *Education (Accreditation of Non-State Schools) Act 2017* (the 'Accreditation Act') and the *Education (Accreditation of Non-State Schools) Regulation 2017* (the 'Accreditation Regulation') establish a legislative framework for accreditation and eligibility for government funding of Queensland non-State schools.

The Accreditation Act provides for the establishment of the Non-State Schools Accreditation Board (the 'Board'). The Board is an independent statutory authority that regulates non-State schooling in Queensland. Its responsibilities include making decisions on the accreditation and eligibility for government funding of non-State schools and changes in accreditation attributes of non-State schools, as well as monitoring governance arrangements and compliance with accreditation criteria.
