End of application for accreditation.

Please proceed to Part 3 if you wish to apply for eligibility for government funding.
14. Funding eligibility
Do you wish to modify your eligibility for government funding to incorporate the proposed changes?
☑ Yes.
☐ No.

Where modification to funding eligibility is being sought, provide the information requested below as it relates to the proposed changes.

Where a proposed change in attribute only involves the discontinuation of an attribute, e.g., discontinuation of Years 11 and 12 or discontinuation of boarding facilities, there is no need to complete the following items.

15. Catchment area
The catchment area is defined in the Accreditation Act as the geographical area in which at least 80 per cent of the school’s students reside or are likely to reside.

Attach the following as they relate to the proposed change/s for which funding is being sought:

a) a description and map/s of the modified catchment area of the school with the catchment boundary and Statistical Local Area (SLA) and/or the Census Collector District (CD) codes clearly marked on the map/s;

b) a statement of supportive argument for both:
   • the selection of the SLAs/CDs included in the catchment area;
   • the exclusion of the SLAs/CDs that are adjacent to the catchment area boundary;

c) for both the first and fifth year of operation of the proposed change, a list of the SLAs/CDs that comprise the catchment area ranked by magnitude of prospective student enrolments by percentage and numbers; and

d) a list of the SLAs/CDs that comprise the catchment area ranked by proximity to the school;

e) the catchment area map showing:
   • the site of the new school; and
   • the names and locations of all existing schools, both non-State and State.

16. Educational choice
If it is claimed that the proposed change/s for which funding is being sought will provide new elements of choice for schooling in the catchment area, attach a statement explaining the features that are not currently available in existing schools, for example:

a) the school’s philosophical or religious foundations;

b) the educational program and mode of delivery;

c) the student welfare and pastoral care provisions; and

d) any other factors.

The Funding Committee’s consideration of the educational choice criterion may include matters other than those noted above.

17. Anticipated enrolments
In relation to the proposed change/s for which funding is being sought, attach a table of the anticipated enrolments by year level or age for the five years from the anticipated date of the proposed change of attribute. Indicate the number of any intended overseas students separately.

18. Minimum enrolments
If necessary, attach an explanation for periods when the minimum enrolment requirements under the Accreditation Act are not likely to be met.

19. Projected population of school-age children
Attach the following as they relate to the change/s for which funding is being sought:

a) a table showing data on the projected population of school-age students in the catchment area by relevant age or year level cohort for the first and fifth years from the anticipated date of change; and

b) details of the source/s of the projected population data (eg Australian Bureau of Statistics, Department of Local Government and Planning, or other independent authoritative sources).

20. Anticipated share of cohort
In relation to the change/s for which funding is being sought, attach supporting argument for the share of the total cohort of school-age students in the catchment area, by age or year level, that is claimed as the anticipated enrolment.

21. Public notification
Attach the following as it relates to the change/s for which funding is being sought:

a) a statement on how the public notification requirements will be met;

b) copy of the public notice to be published; and

c) a list of people, with their addresses, to whom the notice will be given.
PART 3 FUNDING APPLICATION DETAILS

a) changes to their enrolments;
b) changes to their curriculum offerings;
c) their future viability; and

d) positive effects.

23. Unfilled enrolment capacity (Optional)
Attach a statement relating to the changes that comments on the current demand for student places and the likely effect on the overall unfilled enrolment capacity of other schools in the catchment area.

Change of accreditation attribute – July 2009
MARIDAHDI EARLY CHILDHOOD COMMUNITY

Background and attachments

Background

In late 2008, Maridahdi received accreditation to provide schooling from Prep to Year 7; our previous accreditation (2005) was to Year 3.

As foreshadowed, we have sought an additional campus, as demand for places at Maridahdi exceeds capacity at our current site (Bowtell Street): our numbers here are capped by Toowoomba Regional Council at 75, including up to 25 Pre-Prep children.

We have found a site in South Street, less than 800 metres from our Bowtell Street site; this current application seeks to incorporate this site into our existing Prep-Year 7 accreditation.

We reiterate that this application does not entail any new provision, but is simply the addition of a new address. Our total numbers are virtually unchanged from those stated in our Prep-Year 7 application. If required, Maridahdi would be prepared to surrender accreditation for some years at our current site (e.g. Prep-Year 3 at Bowtell Street, and Years 1-7 at South Street).

PART 1: APPLICANT DETAILS

Q3. Details of governing body

Relevant documentation is attached at Appendix 1.

PART 2: CHANGE OF ATTRIBUTE DETAILS

Q13. Accreditation criteria

These criteria have each been addressed in Maridahdi’s previous applications for accreditation. Our proposed change of attribute will not affect any of the accreditation criteria, except for (i) Land and buildings. Our use of our new site at 1 South Street, Toowoomba, will comply with relevant land use, building and WHS legislation. Our plans for this site are currently being developed, in conjunction with the relevant regulatory authorities.

Financial viability will not be adversely affected. Refer Appendix 2.
PART 3: FUNDING APPLICATION DETAILS

Q15: Catchment area

Our new site, at 1 South Street, Toowoomba, is less than 800 metres from our current site and thus shares the same catchment area.

a) Description

The catchment area for Maridahdi is based on five SLAs within the Local Government Area (LGA) boundaries of Toowoomba Central. These are:

- Toowoomba Central – covers the suburbs of South Toowoomba, Southtown and Toowoomba City.
- Toowoomba South-East - covers the suburbs of Rangeville and Middle Ridge.
- Toowoomba West - covers the suburbs of Newtown, West Toowoomba and Kearney Springs.
- Toowoomba North-West - covers the suburbs of Harlaxton, Rockville and Wilsonton.
- Toowoomba North-East - covering the suburbs of Mt Lofty, East Toowoomba and Prince Henry Heights.

The map at Appendix 3 shows this catchment area, the location of Maridahdi and the location of other state and non-state schools. It also shows the residential locations of the 85% of our families who live within the four nominated SLAs.

b) SLAs included and excluded

The five SLAs represented on this map are those that have been used previously to define the School's catchment area. Comparing the locations of our current families to data from 2003, we believe that these SLAs remain the most appropriate. The exclusion of any one of these five would result in a map that does not encompass 'a geographical area in which at least 80% of the school's students reside or are likely to reside'.

It follows that the adjoining SLAs have been excluded firstly because they are not required in representing 80%. Also, while the majority of families outside the defined catchment area reside adjacent to the West, North-West and South-East SLAs, they are not concentrated in any single adjoining SLA.

Q16: Educational choice

Enhancing genuine educational choice was the main reason for Maridahdi’s 2008 application to extend our accreditation to Year 7. As foreshadowed at that time, our current campus in Bowtell Street is not able to accommodate our anticipated expansion; thus we require accreditation of a second site in order to be able to offer the educational choice for which the need has been well established.

As noted previously, Maridahdi’s philosophy and educational program is quite distinct from anything else available in the Toowoomba region.

The success of Maridahdi’s recent expansion from early childhood education into lower primary is evidenced by:

- our full classrooms – for example, our initial application anticipated that in 2008 we would have 15 children in our Year 2-3 class, while in fact we had 25;
- ongoing support from families by continuing to enrol siblings;
- the support from current families for expansion beyond Year 3 – in a 2008 survey, of all families who intend to send their children to Maridahdi for lower primary, 75% indicated that they would also favour sending their children to Maridahdi for the remaining primary years;
- our substantial waiting lists (which would more than fill available places).
This success has proven that there is demand for an alternative to Toowoomba’s mainstream offering. The expansion to a second campus will mean that families can continue to enjoy some degree of educational choice for all primary years.

**Q17: Anticipated enrolments**

The table below shows our anticipated *minimum* enrolments, from 2009 through to 2014, when a total enrolment of 139 is expected. While this number provides the school with a sound base for economic and educational viability, we do not believe it will impact on the viability of other schools in the area – refer also to Q22 and Q23.

**Q18: Minimum enrolments**

As Maridahdi already has more than the minimum 25 enrolments required, we do not envisage a period where this minimum level will not be met.

**Q19: Projected population of school-age children**

Please refer to *Appendix 4*.

**Q20: Anticipated share of cohort**

In support of our claim for the student numbers anticipated in Q17, we note:

1. As the table below shows, in 2009 Maridahdi’s 99 students (48 Pre-Prep plus 51 school-age) represent 0.73% of the cohort of students aged 3-12 in our catchment area.
2. Our increase to 122 students (48 plus 74) in 2010 can be safely assumed, as this requires only for existing students to continue (or be replaced) and for Prep places to be taken up by only around half our current Pre-Preps.
3. Similarly, minor increases in student numbers will occur in subsequent years as our existing students progress through the primary years; the only ‘new’ students anticipated in the above table are children who will come from our Pre-Prep programs.

Given that we currently have 0.73% of the 3-12 years cohort, our expectation of 1.26% of the full cohort is well-founded, and probably conservative.
Q21: Public notification

a) Notification requirements

The Maridahdi Early Childhood Community School will fulfil the requirements of public notification by publishing a Catchment Area Notice within 7 days of lodging this application. The Catchment Area Notice will be published in the local newspaper, The Toowoomba Mail, which circulates throughout the entire catchment area. The Catchment Area Notice will also be sent to all state and non-state schools operating in the catchment area, the Director-General of Education in the Queensland Department of Education, the Executive Director of Queensland Catholic Education Commission and the Executive Director of The Association of Independent Schools of Queensland Inc.

A letter confirming our compliance with the notification requirements will be sent to the Chair of the Non-State Schools Eligibility for Government Funding Committee.

b) Copy of Catchment Area Notice

NOTICE is hereby given that Maridahdi Early Childhood Community of 3-7 Bowtell Street Toowoomba Q 4350 has lodged an application for government funding with the Non-State Schools Accreditation Board for funding of Prep to Year 7 primary education at 1 South Street Toowoomba Q 4350. The enrolment catchment area relevant to the application is a geographical area including Toowoomba South-East, Toowoomba North-East, Toowoomba West, and Toowoomba North-West. Anyone may inspect the application and accompanying documents at the registered office of the applicant Maridahdi Early Childhood Community at 3-7 Bowtell Street, Toowoomba Q 4350 or at the Office of Non-State Education, Floor 18 Education House, 30 Mary Street, Brisbane. Copies of the application may be obtained from the applicant at the above location. Copies of any accompanying documents will not be provided. Anyone may make a submission about the application to the Non-State Schools Accreditation Board, PO Box 347, Brisbane Albert Street BC, Q 4002. A properly made submission is one that is written, is signed by, or for, each person making the submission, states the name and address of each signatory, and is lodged within 35 days from the date of this notice. Submissions may address only the criteria for eligibility for government funding stated in sections 85 and 86 of the Education (Accreditation of Non-State Schools) Act 2001.
Q22: Impact on other schools

We believe that the impact of the proposed change of attribute will have no impact on existing schools. This assessment is based on the small student cohort across a relatively large catchment area; it is highly unlikely that our students' attendance at Maridahdi will have any perceivable impact on the viability or operations of other schools.

Q23: Unfilled enrolment capacity

This application does not entail any significant increase in student numbers at Maridahdi, beyond the proposal for which we have already received accreditation. This application relates to a new site, but not to student numbers that are substantially different from those put forward in our previous application.

We reiterate that the size of Maridahdi does not place at risk the viability of any other school - state or non-state.

Conflict of Interest Policy (Council)

PURPOSE OF THE POLICY

The purpose of this policy is to clarify guidelines to protect against potential conflicts of interest by members of the Maridahdi Community Governing Council, to observe legislation regarding conflict of interest, and to engage in school business activities in a fashion designed to avoid any conflict of interest or the appearance of impropriety.

Scope

The policy covers the types of activities which may constitute a conflict of interest, how a conflict of interest might be determined and the responsibilities of board members with regard to declaring conflicts of interest.

Responsibility

Chair

Point of Contact

Chair

DEFINITIONS/LEGISLATION

For the purposes of this policy, a conflict of interest is "Any situation where a Council Member may be in (or may potentially be in) a position of being involved in a decision or action where they may not be perceived to be able to put the interests of the school first and foremost".

Corporations Act 2001—Directors are required by the Corporations Law to give notice of material personal interests in matters that relate to the affairs of their Company

Associations Incorporation Act 1981—requires that Directors must avoid actual or potential conflicts between their interests and those of the Association and not exploit business opportunities for themselves at the expense of the Association.

Education (Accreditation of Non-State Schools) Act 2001—allows that in assessing the suitability of a governing body, the Accreditation Board may take into account:

- Whether the governing body has appropriate guiding principles and procedures for identifying, declaring and dealing with any conflict of interest.

Policy

It is the policy of the Maridahdi Community Governing Council that all Council members avoid any conflict of interest or the appearance of conflict of interest.

For this reason, the Council has determined to:

1. contract for goods and services in a manner that will avoid any conflict of interest or the appearance of conflict of interest;
2. avoid conflict of interest in relation to employment of staff; and
3. require full disclosure from Council members in situations where they, their relatives, partners or friends, may benefit financially, or in any other material way, from a decision made by the Council.

Disclaimer: The information contained in this policy is to the best of our knowledge and belief correct at the date of publication. However, no warranty or guarantee is or can be given by Independent Schools Queensland or any member of its staff, and no liability is or can be accepted for any loss or damage resulting from any person relying on or using the information contained in this policy.
Conflict of Interest Policy

In particular, Council members may not:
- apply the school’s property either for their personal benefit or for the benefit of any other person without the authority of the full Council;
- benefit financially, or in any other material way from the outcome of a decision made by the Council;
- cause any relative, partner or friend, or any organisation in which they have equity or of which they are an employee or a board member, to benefit from their position on the Council;
- make unauthorised use of confidential information belonging to the School;
- intentionally gain an advantage (directly or indirectly) for any person or causes detrimental to the School.

Limitation on Related Employees

The Maridahdi Community Governing Council may not employ any staff member related by blood or marriage to a Council member except by a unanimous vote of the full Council.

Conflicts Prior to Taking Office

A Council member with personal financial interest in a sale, lease, or contract with the school, which was entered before the Council member took office and presents an actual or potential conflict of interest, shall immediately notify the Council of such interest. It shall thereafter be the responsibility of the Council member to refrain from participating in any discussion or action relating to the sale, lease, or contract by the Council.

Conflicts While in Office

If at any time a Council member believes that he or she may appear to be unable to maintain professional objectivity on any issue, because of a personal situation, employment, or other reasons, the member must notify the Chair and must not vote on the matter or be present when the matter is being considered by the Council.

Determination as to Whether a Conflict of Interest Exists

The determination as to whether a conflict of interest exists is to be made by the Council. Any Council member who has an actual or potential conflict shall notify the Chair of such conflict immediately. The member shall thereafter cooperate with the Council as necessary for Council to make its determination.

**Note:** Areas smaller than a Local Government Area (LGA) have received their share of growth based on information about infrastructure and supply, vacant lots and hold and redevelopment potential, and their expected dwelling mix. This information is generally available for the period covered by the Council's current planning schemes. The population projections for sub-LGA areas are therefore less reliable beyond the years from the first projection year. PART 3: FUNDING APPLICATION DETAILS

Q15: Catchment area

Our new site, at 1 South Street, Toowoomba, is less than 800 metres from our current site and thus shares the same catchment area.

a) Description

The catchment area for Maridahdi is based on five SLAs within the Local Government Area (LGA) boundaries of Toowoomba Central. These are:

- Toowoomba Central – covers the suburbs of South Toowoomba, Southtown and Toowoomba City.
- Toowoomba South-East- covers the suburbs of Rangeville and Middle Ridge.
- Toowoomba West- covers the suburbs of Newtown, West Toowoomba and Kearney Springs.
- Toowoomba North-West- covers the suburbs of Harlaxton, Rockville and Wilsonton.
- Toowoomba North-East- covering the suburbs of Mt Lofty, East Toowoomba and Prince Henry Heights.

The map at Appendix 3 shows this catchment area, the location of Maridahdi and the location of other state and non-state schools. It also shows the residential locations of the 85% of our families who live within the nominated SLAs.

b) SLAs included and excluded

The five SLAs represented on this map are those that have been used previously to define the School's catchment area. Comparing the locations of our current families to data from 2003, we believe that these SLAs remain the most appropriate. The exclusion of any one of these five would result in a map that does not encompass 'a geographical area in which at least 80% of the school's students reside or are likely to reside'.

It follows that the adjoining SLAs have been excluded firstly because they are not required in representing 80%. Also, while the majority of families outside the defined catchment area reside adjacent to the West, North-West and South-East SLAs, they are not concentrated in any single adjoining SLA.

Q16: Educational choice

Enhancing genuine educational choice was the main reason for Maridahdi's 2008 application to extend our accreditation to Year 7. As foreshadowed at that time, our current campus in Bowtell Street is not able to accommodate our anticipated expansion; thus we require accreditation of a second site in order to be able to offer the educational choice for which the need has been well established.

As noted previously, Maridahdi's philosophy and educational program is quite distinct from anything else available in the Toowoomba region.

The success of Maridahdi's recent expansion from early childhood education into lower primary is evidenced by:

- our full classrooms – for example, our initial application anticipated that in 2008 we would have 15 children in our Year 2-3 class, while in fact we had 25;
- ongoing support from families by continuing to enrol siblings;
- the support from current families for expansion beyond Year 3 – in a 2008 survey, of all families who intend to send their children to Maridahdi for lower primary, 75% indicated that they would also favour sending their children to Maridahdi for the remaining primary years;
- our substantial waiting lists (which would more than fill available places).
This success has proven that there is demand for an alternative to Toowoomba’s mainstream offering. The expansion to a second campus will mean that families can continue to enjoy some degree of educational choice for all primary years.

**Q17: Anticipated enrolments**

The table below shows our anticipated minimum enrolments, from 2009 through to 2014, when a total enrolment of 139 is expected. While this number provides the school with a sound base for economic and educational viability, we do not believe it will impact on the viability of other schools in the area — refer also to Q22 and Q23.

**Q18: Minimum enrolments**

As Maridahdi already has more than the minimum 25 enrolments required, we do not envisage a period where this minimum level will not be met.

**Q19: Projected population of school-age children**

Please refer to *Appendix 4*.

**Q20: Anticipated share of cohort**

In support of our claim for the student numbers anticipated in Q17, we note:

1. Based on PIFU figures included in our previous application, in 2009 Maridahdi’s 99 students (48 Pre-Prep plus 51 school-age) represent 0.73% of the cohort of students aged 3-12 in our catchment area (although we currently provide services primarily for students aged 3-8, or two-thirds of that cohort).
2. Our increase to 122 students (48 plus 74) in 2010 can be safely assumed, as this requires only for existing students to continue (or be replaced) and for Prep places to be taken up by only around half our current Pre-Preps. This will represent 0.94% of the cohort.
3. Similarly, minor increases in student numbers will occur in subsequent years as our existing students progress through the primary years; the only ‘new’ students anticipated in the above table are children who will come from our Pre-Prep programs.

Given that we currently have 0.73% of two-thirds of the 3-12 years cohort, our expectation of 1.41% of the full cohort in 2014 is well-founded, and probably conservative.

Ms Kathryn Tully
Chair
Maridahdi Early Childhood Community
PO Box 4742
TOOWOOMBA EAST QLD 4350

Dear Ms Tully,

I refer to the application from Maridahdi Early Childhood Community, under the Education (Accreditation of Non-State Schools) Act 2001, to the Non-State Schools Accreditation Board, to include the site at 1 South Street, Toowoomba, in the attributes of accreditation of Maridahdi Early Childhood Community School, and to include this site in the eligibility for Government funding approvals.

The Board has given preliminary consideration to the application at meeting today and has resolved to seek further information and documentation from Maridahdi Early Childhood Community.

Relevant to the Board’s requests for further information and documentation, the Board is obliged by the Act to be satisfied that after the change in attribute is effected, the school will comply with the accreditation criteria prescribed under the Education (Accreditation of Non-State Schools) Regulation 2001.

I now turn to each of the matters raised by the Board.

1. Years of schooling to be offered at each site

The Board notes from the application, under the heading Background, that "...this current application seeks to incorporate this site (South Street) into our existing Prep – Year 7 accreditation. We reiterate that this application does not entail any new provision, but is simply the addition of a new address.... If required, Maridahdi would be prepared to surrender accreditation for some years at our current site (e.g. Prep-Year 3 at Bowtell Street, and Years 1-7 at South Street)."

The Board additionally notes, under the public notification details, that the application is for "...funding of Prep to Year 7 primary education at 1 South Street, Toowoomba ...."

The Board requests further clarification as to the years of schooling Maridahdi Early Childhood Community proposes to offer at the Bowtell Street and the South Street, sites and/or whether it proposes to offer Preparatory Year to Year 7 at both sites.

2. Land and Buildings

The Board notes in the application, that "Our proposed change of attribute will not affect any of the accreditation criteria, except for (i) Land and buildings. Our use of our new site at 1 South Street, Toowoomba, will comply with relevant land use,
building and WHS legislation. Our plans for this site are currently being developed, in conjunction with the relevant regulatory authorities."

In addition, the Board notes from the application that the current land-use zoning is "Residential – DIP exemption pending".

The Board requests:

(a) information known to Maridahdi Early Childhood Community about the likelihood of Council granting the necessary development approval for the South Street site, and about the expected timing around Council’s decision;
(b) documents demonstrating that Maridahdi Early Childhood Community will own the site or will obtain a legal right to occupy the site for the purposes of a school; and
(c) a marked-up plan of the land and buildings of the new site with a brief description of specific areas and usages including classrooms, other teaching and staff facilities, parking, playground and toilet facilities. (NB: These drawings do not have to be professionally drafted).

3. Staffing

The Board requests information on the number of teaching and non-teaching staff to be employed at the South Street site and information relating to their key responsibilities.

4. Educational facilities and materials

The Board requests a description of the educational facilities and materials that will support the effective delivery of the educational program at the proposed new site.

Under the Act, the Board must give an applicant at least 30 days to provide further information or documents. Accordingly, the Board requires that the additional material mentioned above be provided by close of business on Monday, 14 September 2009. If the Maridahdi Early Childhood Community fails to provide the required material within this time the Maridahdi Early Childhood Community is taken to have withdrawn this application.

Also, the Board asks Maridahdi Early Childhood Community to keep it informed in writing about Council’s considerations of the zoning and land-use matters.

It should be noted that the Board has raised the matters set out above as a result of its preliminary examination of the application. Other issues may arise as the Board continues its assessment of the application and may contact Maridahdi Early Childhood Community again later to seek further information and documents.

The Board looks forward to receiving the additional information.

Yours sincerely

Dear Professor Webb

Thank you for your letter of 7 August 2009, responding to our recent application. I am pleased to provide the following information regarding each of the matters raised.

1. Years of schooling to be offered at each site

Maridahdi’s preference is for both campuses to be accredited Prep to Year 7, to allow maximum flexibility with multi-age and family groupings. This is what we have applied for in this application, and what is stated in our Public Notification.

We appreciate, however, that there may be some concern at the Board about whether Maridahdi is planning to double its provision by adding this second campus; our statement about surrendering partial accreditation at Bowtell Street is our reassurance that this is not the case.

At this stage, what we propose to offer is Prep to Year 1 at Bowtell Street, and Years 2-7 at South Street.

However, unless the Board does wish to limit our accreditation, then Prep-Year 7 accreditation at both campuses will give us optimal flexibility.
2. Land and buildings

(a) Planning approval

Maridahdi has engaged a town planning consultant who is currently preparing a Material Change of Use (MCU) application for Toowoomba Regional Council (TRC). We envisage that this will be lodged by mid-September. We have already commissioned a number of the expert reports required for the MCU application, and have also had several positive discussions with senior TRC officers and Councillors. TRC’s Senior Planner has indicated that three months is the expected timeframe for processing of an MCU application. Maridahdi believes that approval is the likely outcome.

Maridahdi has also applied to the Department of Infrastructure & Planning (DIP) for the South Street campus to be listed in the Integrated Planning Regulation 1998, schedule 11, section 5; this process stems from amendments to this regulation to expedite the release of funds under the Commonwealth’s Building the Education Revolution (BER) funding initiative. (The development of our South Street campus is in part a BER-funded project.) If our application is accepted by the Minister, this process will accelerate the MCU process. This outcome will be known next month.

(b) Tenure

Maridahdi is currently negotiating dual agreements for the property: a 25-year lease and an option to purchase contract. Our offer and terms have been accepted by the vendor, and the contracts are now being drafted. The contracts will be conditional upon (inter alia) accreditation and planning approval.

We request that the Board grants provisional accreditation that will take effect as soon as Maridahdi has tenure, which will be upon signing of the lease.

(c) Site plan

Attached is our site plan. The building labeled ‘Classrooms & Admin’ will accommodate GLAs, art areas, admin offices, computer room, staff facilities and children’s toilet facilities. The library will also include toilet facilities. The teaching pods each include GLAs, art areas and toilet facilities.

3. Staffing

We envisage a maximum staff at the South Street site comprising Principal, 8 teachers, 8 assistants and 2-3 non-teaching staff. The latter will be employed in a combination of administrative, financial and school management responsibilities.
4. Educational facilities and materials

The facilities and materials to support the effective delivery of our educational program will be the same as those already approved for our existing site. In addition, we will make more extensive use of IT, and will also have much more outdoor playspace than at our current site.

We thank the Board for its further consideration, and look forward to hearing from you again after your 10th September meeting.

Sincerely,

Dear Pat

I would like to provide the following update in relation to our Change of Attribute Application to be considered by the Board at tomorrow’s meeting.

- Contracts have been drafted and we hope to have these signed within the week. The vendor has accepted our offer and terms.

- We have engaged a town planning consultant to prepare our Material Change of Use Application, and have a Pre-lodgement meeting next Tuesday, 15/9/09.

- Our BER funding has been approved for this site.

I reiterate our request that the Board provides accreditation conditional upon tenure. We understand that accreditation cannot be confirmed until the site is approved for recurrent funding, which will only occur when we have planning approval.

Thank you for your consideration of this application. We look forward to hearing from the Board after tomorrow’s meeting.

Dear Ms Tully,

I refer to the application from Maridahdi Early Childhood Community (MECC), under the Education (Accreditation of Non-State Schools) Act 2001, to the Non-State Schools Accreditation Board, to include the site at 1 South Street, Toowoomba, in the attributes of accreditation of Maridahdi Early Childhood Community School, and to include this site in the eligibility for Government funding approvals.

The Board received and considered at its last meeting, the information provided by MECC dated 14 August and the email received on 9 September 2009 in response to the Board’s correspondence of 7 August 2009.

The Board notes from the information that MECC:

(i) prefer to be accredited for Preparatory Year to Year 7 as the years of schooling attributed to the school’s accreditation at both Bowtell Street and South Street sites. However it is also stated that, “At this stage, what we propose to offer is Prep to Year 1 at Bowtell Street and Years 2-7 at South Street site”;

(ii) is preparing to lodge an application in mid-September with the Toowoomba Regional Council for developmental approvals for the proposed site and has also applied to the Department of Infrastructure and Planning to be listed in the Integrated Planning Regulation 1998 to accelerate the approval process;

(iii) is currently negotiating an agreement to obtain a legal right to occupy the site; and

(iv) intends to employ a Principal, 8 teachers, 8 assistants and up to 3 non-teaching staff at the South Street site.

Confirmation is requested on items (i) and (iv) above as the information provided does not give the Board a clear indication of the scope of the application in regard to the years of schooling to be attributed to the school’s accreditation and related staffing to be allocated at each of the Bowtell Street and South Street sites.

The Board also requests to be kept informed of the developments with the matters (ii) and (iii) as listed above.

Relevant to this request, the Board is obliged by the Act to be satisfied that after the change in attribute is effected, the school will comply with the accreditation criteria prescribed under the Education (Accreditation of Non-State Schools) Regulation 2001.

The Board looks forward to receiving the further information to assist in the consideration of this application.

Dear Professor Webb,

Thank you for your letter of 16 September 2009, regarding our recent application. I am pleased to provide the following further clarification.

I confirm that we are seeking for both sites to be accredited Prep – Year 7. This will provide maximum flexibility as we make the adjustment to having dual sites. Amendments may be required at a later date, once our enrolment patterns are more firmly established.

In relation to staff, the maximum number of classes envisaged long-term at the South Street site is eight, so the maximum staff planned for that site would be as stated previously. At our Bowtell Street site, we will continue to have a teacher and assistant for each class. It is likely that the Principal and support staff will work between both campuses.

I trust this information addresses your queries.

Sincerely,

Dear Kate Tully

As you are aware the Non-State Schools Accreditation Board have requested to be kept informed on the progress of the development approvals and lease arrangements for the proposed new site at South Street. In accordance with this request, the Board will need to receive an amended commencement date when the approvals and arrangements have been finalised as the original date of 30 September 2009 has now passed. It would be appreciate if you could include this information in your correspondence.

Dear Professor Webb

I wish to update the Board on our progress towards our second campus, and to ask the Board’s advice. As you are aware, Maridahdi’s plans to expand to a second campus during 2010 are well underway and we are pleased with progress to date. However, our proposed new campus in South Street, Toowoomba will not be available to us for the start of next year (as we had originally hoped), as we will still be awaiting town planning approval and hence accreditation.

However, our enrolments for 2010 now exceed our capacity at our current campus. We have been able to secure teaching space at the University of Southern Queensland, which we will lease on a temporary basis from January until South Street is ready to occupy. We envisage that this will cater for a maximum 25 students (currently 15) from Years 4-7, with a full-time teacher and assistant.

The school’s governing body, the Maridahdi Community Governing Council, is aware that it would generally be a requirement to have this site accredited by the Board. However, given the timeframe plus the fact that this is a temporary measure only, our Council would prefer to cater for these students under the Flexible Arrangements Policy endorsed by ISQ, until we are able to move them to South Street during 2010.

I am writing to seek the Board’s opinion on whether this option is acceptable.

Thank you for your consideration of this matter.

Sincerely,

Dear Ms Tully

I refer to your letter dated 16 November 2009 to the Non-State Schools Accreditation Board informing of the progress of the proposed South Street site of the Maridadi Early Childhood Community School, and requesting the Board's opinion about the legitimacy of operating from an alternative site due to enrolments for 2010 exceeding the capacity at the Bowtell Street site.

The Board notes that Maridadi Early Childhood Community (MECC) is still awaiting developmental approvals from Toowoomba Regional Council for the South Street site. The Board looks forward to receiving further information in due course from MECC as to the outcome of this process.

As acknowledged in your letter, the site at which a non-State school operates is an attribute of a school's accreditation, and must be approved by the Board before the school is able to operate on that site.

The Education (Accreditation of Non-State Schools) Act 2001 sets out the way in which the governing body of a non-State school must apply for the Board's approval to change the school's attribute to include a new site, and the way in which the governing body must apply for the Minister's approval to be eligible for Government funding for the new site.

The Act does not authorize the Board to grant approval to add a new site (on a temporary or permanent basis) in any other way. The Board, therefore, would not be able to sanction the school to operate on a University of Southern Queensland site without the necessary approvals in place.

While the Board cannot give MECC advice on a particular course of action, it wishes to point out that even if MECC were in a position to lodge immediately an application to add the university site to the school's accreditation, and an application for that site to be eligible for Government funding, it is highly unlikely that those applications could be decided before the commencement of the 2010 school year.

In relation to your specific request about "flexible arrangements", the Board does not consider that the proposal for the school to cater for some 25 (maximum) of the school's enrolled students on the university campus would satisfy the requirements of section 182 (Flexible arrangements—non-State schools) of the Education (General Provisions) Act 2006.

Yours sincerely

Dear Professor Webb

Thank you for your letter dated 8 October 2009 regarding the recommendation of the Non-State Schools Eligibility for Government Funding Committee in respect of the application by the Maridahdi Early Childhood Community for eligibility for Government funding for an additional site of Maridahdi Early Childhood Community School, Toowoomba.

I am pleased to advise that I have approved the application for eligibility for Government funding for the governing body of Maridahdi Early Childhood Community School at the additional site to be located at 1 South Street, Toowoomba (Preparatory Year to Year 7, co-educational, classroom delivery, non-boarding and educational programs based on Queensland Studies Authority syllabus framework/s).

In accordance with subsection 55(7) of the Education (Accreditation of Non-State Schools) Act 2001, I have notified the governing body of the school of my decision.

Should you wish to discuss this matter further, you can contact Ms Christine Rutledge, Manager, Office of Non-State Education, on telephone (07) 3224 5536.

Please pass on my appreciation to Associate Professor Jim Watters and other members of the funding committee for preparing the recommendation.

Dear Professor McLean

Change of attribute: South Street campus

I write with an update on progress of our proposed campus at South Street, Toowoomba, and with a request to the Board.

As the accompanying letter from Toowoomba Regional Council (TRC) confirms, our application is currently in progress. We expect to have our response to the Information Request lodged with TRC next week, which means a decision is expected in March/April.

Maridahdi is confident that the application will be approved. We have had many, many discussions with TRC to ensure that the requirements of the Planning Scheme are met and all impacts are appropriately managed. You will be aware that the planning report accompanying our application took many months of preparation; the report includes six separate expert reports and has been described by the most senior Council planning officer as 'very well documented and comprehensive'. Our application was referred to both the Department of Environment & Natural Resources (DERM), due to heritage considerations, and to Queensland Transport & Main Roads (QTMR) for road and traffic considerations. Both agencies have approved our proposal to proceed.

I am aware that the Board needs to make a decision on our Change of Attribute Application before the end of April, which in effect means not later than its meeting on 1 April 2010. You will note from the information above that it is unlikely we will have formal approval from TRC before that date.
You will also be aware that we have already received a letter from the Minister confirming his approval of the South Street site for recurrent funding.

I am therefore requesting that the Board gives consideration to approving our application at its next meeting.

We are well aware that the South Street campus will be unable to actually accept students until all accreditation criteria – including land use consent – are in place.

However – as I'm sure you can imagine – it would be devastating for Maridahdi to be thwarted by this ‘race against the clock’ and to receive a ‘deemed refusal’ from the Board when we are so close to securing the required consent.

I thank the Board most sincerely for all of its support to date, and for its consideration of this request.

Sincerely,

KATE TULLY

Re: Clarification of application for Maridahdi Early Childhood Community at 1 South Street, Rangeville Qld 4350 described as L1/RP142232: Parish of Flagstone.

Council has been requested by the Maridahdi Early Childhood Community to confirm the details of their development application at 1 South Street Rangeville (MCUI/2009/7708).

On 16 December 2009, the Toowoomba Regional Council received a properly made application for a Development Permit for a Material Change of Use for an Educational Establishment from Maridahdi care of Precinct Urban Planning, to use 1 South Street Rangeville for a second campus for their school.

Council on the 3 February 2010 issued an Information Request, seeking clarification on a number of issues.

Once Maridahdi responds to this Information Request, there will be a Public Notification period of 15 business days, followed by the Decision Making Period.

If you require further clarification, please do not hesitate to contact Tanya Duggan, Planning Projects Officer on the above number.

Yours faithfully
