

# Strategic Plan 2020 – 2024

## Non-State Schools Accreditation Board

The Non-State Schools Accreditation Board was established on 21 September 2001 under the now repealed *Education (Accreditation of Non-State Schools) Act 2001*. From 1 January 2018, the Board continued operation under the *Education (Accreditation of Non-State Schools) Act 2017* (the 'Accreditation Act').

The Board will respect, protect and promote human rights in its actions and decision-making.

### Vision

Quality education offered in non-State schools.

### Purpose

- Uphold the standards of education in non-State schools
- Maintain public confidence in the operation of non-State schools
- Foster educational choice in Queensland

### Contribution to government objectives

The Board contributes to the Queensland Government's objectives for the community *Unite and Recover – Queensland's Economic Recovery Plan*, particularly in regard to backing our frontline services in respect of the delivery of world-class frontline services in education.

The Board's functions include:

- Assessing and deciding applications for accreditation of non-State schools
- Determining eligibility for government funding
- Monitoring whether non-State schools continue to comply with the prescribed requirements of accreditation
- Monitoring whether governing bodies of accredited schools are suitable
- Monitoring compliance with the Accreditation Act
- Conducting investigations about contraventions of, or noncompliance with, the Accreditation Act

## Strategic objectives, non-State school sector

- Best practice regulation supporting the delivery of consistent, high-quality education and safe school environments.
- Informed and capable sector able to effectively manage compliance.
- Consistent and robust decision-making protecting the quality and reputation of the sector.

## Key strategic risks, critical issues

The Board's key strategic risks, and critical issues, are focused on its enterprise risks including:

- standard of education
- welfare of students
- health and safety of staff and the school community
- fraud and corruption
- security of confidential and personal information

## Key opportunities and challenges

- Oversight of governance and financial management of non-State schools
- Ensuring educational programs in all non-State schools maintain standards in an environment that values diversity in educational choices
- Managing an ever increasing workload for the Board and its Secretariat
- Designing effective technological and operational solutions to enhance Board efficiency
- Investigating allegations of unaccredited education sites operating as schools
- Monitoring compliance in a legislative environment subject to change
- Managing the performance of statutory functions and duties during, and in the recovery period following, the declared Queensland public health COVID-19 emergency
